# BARGAIN OFFERS

ON

## Collected Broad-leaved Evergreens

---

On January 18 I wrote you that I would like to quote on your requirements in collected Broadleaved Evergreens for this spring and that on some items I could make real bargain prices. The purpose of this circular is to convince you of that fact. I am making up several special offers on carload shipments which you must agree are real bargains in every instance. After you look over these offerings you may wonder how I can do it. The answer is: Efficient organization operating over wide areas, volume of business, and small profit. **How about quality?
